Expenditure

(3) (A) P.W. to be executed by P.W.D. The main, generally, noted variations occur in the provision under II Repairs. The Presd. explains that as the actual lengths of Kolar-Somapur, and

As the present Budget
provides for the main-
tenance of actual lengths
of these roads in the
District the proposal
is approved. A sum
of Rs 3343 is entered as
reserve for minor works
This is reduced to
Rs 1000 for want of

of Sufficient funds, and a corresponding reduction is made on account of Supervision Charges under the head "III Establishments."

(4. (B) P.W. to be expended by Rev. Deptt. The estimate, as proposed under "I. Org. Works" and "II Repairs" are for the works noted in the margin. Including Rs 200 entered under "X Misc (1) Repairs to Cattle-pounds," which will be transferred to this head, the total supervision for works comes to Rs 11,130 which will be passed.
